FUTURE

**HOW DO WE GET FROM
THINGS AS THEY ARE
TO
THINGS AS WE WANT THEM
TO BE?**

NOW

Introductions

- Name, role or affiliation/who do you represent?
- Why did you choose to be a part of the Systems Work?

What does the future service delivery system look like?

...For People,
...For Families,
...For Providers,
...For the State?

Modernized System: What does it look like?

Break Out Room # 1

- What do you hope the service system will be like in the future?

Share and report out

Question:

- What do you hope the service system will be like in the future?

What do we want?

Systems
change
work

What don't we want?

Break Out Room #2

- What's working in the current system you want to ensure we keep?
- What's not working in the current system you want to ensure we are looking at and considering a change?

Share and report out

Questions:

- What's working in the current system you want to ensure we keep?
- What's not working in the current system you want to ensure we are looking at and considering a change?

**A small team, committed to a
cause bigger than themselves,
can achieve absolutely anything.**

Next Steps

- The IOD will pull the information together and build an action statement to share.
- The action statement will be a living document that the group can reference as an approach to this work.
